Editor Telegraph-Your correspondent from Austinburg-M. B. C.-in a communication to the Telegraph a short time since, upon the bad reputation our town is getting abroad on account of its saloons and rowdvism, seems to have stirred up the dander of an "old resident" to a fearful pitch, as is evident by his article in the last News. He very positively, on his own account, and with equally positive en-

As the champion of truth, he would not deceive the confiding reader. His assertion New TIME TABLE. - The L. S. & M. S, have that there is not a single saloon in Ashtabula been making some radical changes in their where whisky is sold by the drink, that all the running arrangements. The Painesville Ac- whisky is sold by the drug stores and grocercommodation has been suspended, and the les; and that the whisky that nerved the hand Jefferson, or Jamestown accommodation, of the Sylvia woman in the murder of her I think, that it is neither a clean nor a handsuns no further than Ashtabula. The tables husband was not purchased of any saloon keeper, so far as mere declaration goes, make a very good showing for the saloons, but costly building, on the whole, they are quite tons on the same day. The cargos from the THE OBGAN for the Congregational Church, the drug stores and groceries are placed in insignificant compared with eastern cities. Genoa and her escort, the steam barge Go cannot be denied or evaded, that the rowdyism and violence that disturbs the peace, and the desk, and the front of the gallery is the "good name" of this community, and the mills and factories that are located there, and to be carried four feet farther out over the burdens sustained for keeping up a police

clea. These currents set directly toward the subcons. I If these pinties see not resorted to for the maddening bowl, why do the keepers tacitly admit it by so carefully bearding up their institutions and almost excluding the itaht of day to save themselves from the effects of their traffic? Why raise a barrier so bigh between themselves and their customers as, to shewer the purpose of a barricade, if the liability of a storm wast not part of their business? Why arrange trap doors, to be dropped at the gen-tlest touch to shut the victim of drink in dark-ness and within invulnerable walls, if there were no disastrops results apprehended from him to whose lips the cup is placed? Are these the innocent and legitimate concomitants of beer drinking and lager saloons? If not what is their logic? Let us be set right, and the community be guided by truth to right

conclusions.

And as to the absence of cyldence that the der alluded to, perhaps the testimony before could see the interior; there was a board seat the 'Coroner's inquest, might be considered all round it, and at one end a small window pertinent to the case. One of the sons swore with a little shelf in the inside, in imitation of that his father usually got his whisky at a sa- what is seen in a railroad ticket office. On the loon, and left one of these institutions for his outside was written in large letters, "Loafer's home just before the murder, in all probability | Hall." It struck me as being very considerate freighted inside and out with the material that to provide such a place of shelter and comprepared him and his wife for the strife, and fort for that class of distinguished citizens. struggle and murder. Our champion of truth Would it not be a capital idea to have such an may do well to reconcile this testimony with institution op North? his declaration that, there is not a single place in Ashtabula where whisky is sold by the tied among the mountains, I will continue the glass. If these things are "very wrong," the history of our wanderings. MONTAGUE. community would no doubt be very glad to have them righted; if anyone's sensibilities are shocked by an allusion to them, what shall be done with the Coroner's Inquest and courts of record? Are they not "very wrong" for allowing the cat to get out of the bag? But out she is, and the question which most concerns us is "what can and ought to be done to improve our name?" Surely, not by trying to

shift the blame from one shoulder to the other. If M. B. C. did not include drug stores and groceries in the designation of "little hells," and if they are alike guilty, let the appellation cling to them also.

We are sorry to see the News man lending his pen and his paper to even an apology for the liquor interests, but would be glad to see his sheet take a bold stand on the side of sobriety and right, and thus help to make and maintain a good name for our town.

Ashtabula, August 4th. "VERY WRONG."

BOCK CREEK. Editor Telegraph: - Our Council met on Monday evening July 28th, to continue the consideration of the question of suppressing the billiard room. In addition to the two petitions from the male citizens, presented at their previous meeting, one for suppressing were about equal in the number of signers inside the borough limits, there was a petition presented at this meeting from the ladies which was signed almost unanimously. The wives and daughters of the Mayor and Councilmen were among the petitioners for the suppression of the room.

After a good deal of talk, some of which this ordinance was to vacate so much of was pretty warm, the question of suppression, of Spring street, as is occupied by the was put to a vote. Three of the Council votstairs-36 inches-on the south side of D. W. ed for it and three against it. This placed it call attention to the advertisement of this well Haskell's store. The stairs were put up tem. at the disposal of the Mayor. As was expectregulated and popular school. In the brief time allowed him he had to handle about 20,000 vards of earth. It was done, however, in time, and that filled the bill and the contractor's ambition. The roadbed is well settled, and we understand in fine condition, and when the coal bed laterals are completed, will no doubt go into a profitable freight traffic.

MAGNER'S SENSATION SHOW, Which is to exhibit in this place Friday, August the 8th, will, according to all accounts, be a sensation to our citizens, and we predict a rush both afternoon and evening. At 1 o'clock, Prof. LEON, who is said to be pext to Blondin for his daring performances on the tight rope, will give a free exhibition on a rope suspended from the highest buildings or trees. In addition to the finest performers common to the best circuses, there will be exhibited two of the most remarkable ponnes in the world. These wonderful performing horses are the same exhibited by Mr. Magner a few years ago in Cleveland, and more recently in New York, and by the performances of which he made a genuine furore among the most eminent citi.

in speaking of one of these borses: "Blind Billy," a pony that is stone blind seems to be almost human in intelligence and seems to be almost human in intelligence and sagacity, obeying every command and performing the most difficult teats so quickly and easily as to assonish and win the sympathy of the incredulous "He cannot be blind," we heard remarked, "he must see, to run the ring in that way." When by some legerdemain the skill ful trainer made him run square against the center pole—not so far however as to injure him much, for no sooner was the quick, shrill "whoa," uttered than Billy was upon his haunches, his fore feet thrown forward like two stakes "To the right, sir," when Billy turned—"go ahead," and ahead he went, and an offset, a gore running from a point on Main
